

Date	2017/05/11		
Event	Evolutionary computation for job scheduling optimization of chip mounter machines		
Location	Department of Computer Science and Information Engineering, National University of Kaohsiung		
Category	Professional	Professional	Professional Development
Speaker	Name	Prof. Cheng-Jian Lin (林正堅教授)	
	Affiliation	Department of Computer Science and Information Engineering, National Chin-Yi University of Technology	

Photo

The top photograph shows three men standing next to two promotional posters for a lecture. The posters are titled '專題演講' (Special Lecture) and 'Event'. The 'Event' poster lists the topic as 'Evolutionary computation for job scheduling optimization of chip mounter machines' and the speaker as Prof. Cheng-Jian Lin. The bottom photograph shows a man in a light blue shirt giving a presentation on a stage. The screen behind him displays a circular diagram titled '輪盤式選擇法' (Wheel Selection Method) with various segments and percentages.
